

The **TTC** and its members support the UWO football program through financial support, university and area service projects, and special events held at the Oshkosh Sports Complex/JJ Keller Field.

As a member of the **TTC**, you become an integral part of the UW-Oshkosh athletic scene. Your support provides the perfect place to network your business and establish new relationships, all while enjoying the best that NCAA Division III football can provide.

You will also serve as an ambassador for the University of Wisconsin Oshkosh football program, the city of Oshkosh, the UW-Oshkosh student-athletes and their parents.

Every successful football program in NCAA Division I, II and III has an organization to provide services and needs throughout the season. This is your chance to be part of the organization that will take UW-Oshkosh football to the next level.
